- Intensive dancers will take tech classes in week 1 and do a technique audition on Thursday that week. During week 2, they will learn combos and audition those combos on the 2nd Thursday.

*If auditioning for the specialty group, we will have those dancers show one of the combos together during the combo audition.

*Dancers auditioning for a ballet team will show the ballet combo together during the combo audition

Non-Intensive Teams:

New Rule! Crystal, Pre-Comp & Performance team dancers will need to be assessed to be on one of these teams. During their camps, they will work on required skills and learn combos to test their choreography comprehension skills. They do not need to be advanced in their skills, but should have a basic understanding of steps/moves that will be in their routines.

- All Crystals will need to take the 3-day camp of Ballet, Jazz and Tap.
- Pre-Comp will need to take the 3-day camp of Ballet, Jazz & Tap
- Performance teams will need to take a 3-day camp of Tap, Jazz, Lyrical & stretch/conditioning. Performance teams will attend stretch/conditioning each day. Then they only need to attend the dance styles they will be competing in, for example they do not need to attend tap if they are not doing tap.
- Competitive Hip Hop dancers will need to audition in their age group. If dancers are only doing Hip Hop, they will not need to attend any other classes. **Hip Hop team placement is NOT determined by your regular team placement.**
